

My Dear

Ho-Ho-Ho, it's almost Christmas! I was delighted to pick up your letter, along with many other letters from all the Lidl stores this year. Our elves worked very hard to make all those post boxes for every Lidl store you know?

Speaking of the elves, they are busy putting the finishing touches on today's toy orders. There have been so many good boys and girls this year, the workshop is filled to the ceiling with toys! All of the reindeer have been exercising for 30 minutes every day to get back to their flying weights. So everything seems to be on schedule for December 24th.

When my elves pointed to your name on my Naughty and Nice list, I became quite merry. You see, you have received an outstanding number of gold stars for kindness, consideration and helpfulness this year.

Your _____ reminded me of how hard you've tried to be good this year. I know you requested a _____ for Christmas...that's a pretty big order, but I'll see what I can do!

My visit to your home in _____ is at the top of my schedule, so remember to be fast asleep in your bed early on Christmas Eve. By the way, I'd love more of those chocolate chip cookies. They were delicious! (Mrs. Claus would be jealous.)

Wishing You a Very Merry Christmas,

Santa Claus

(and Rudolph!)
